

ActiveX License Activation

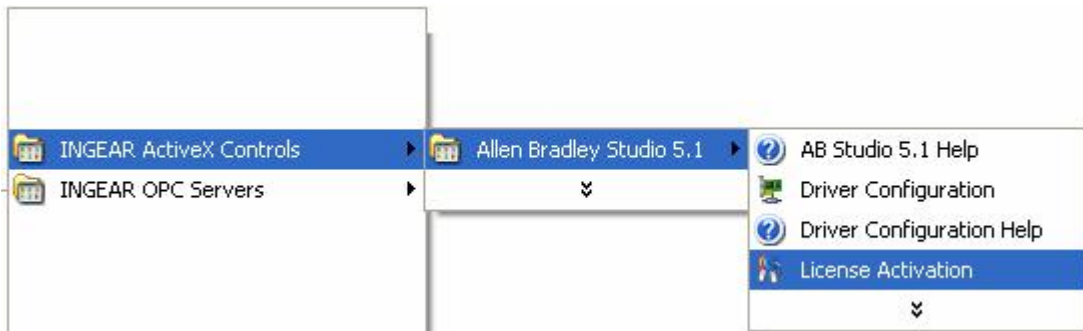

How to locate the INGEAR ActiveX Installation ID

This document explains how to locate the INGEAR ActiveX license Installation ID.

In this example we'll use the INGEAR Allen-Bradley ActiveX. However, the same procedure will apply to all other INGEAR ActiveX controls.

Install the INGEAR ActiveX software on your computer

Select *Start | Programs | INGEAR ActiveX Controls | Allen-Bradley Studio 5.1 | License Activation*.

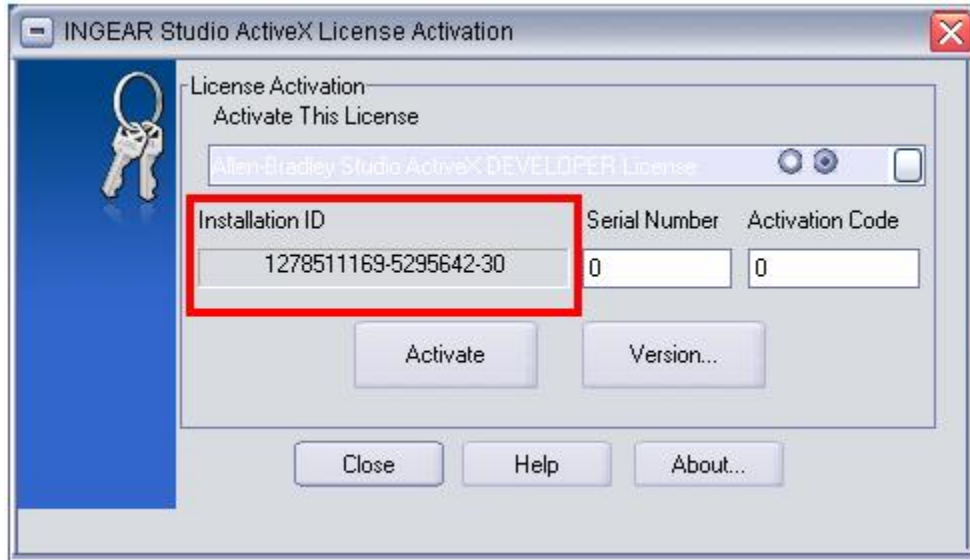

Select the INGEAR ActiveX License to activate from the pull down box.

Installation ID

The Installation ID is the first number sequence in the dialog box.

ActiveX License Activation

Activate by Phone

You can contact our sales desk Monday – Friday (8:30AM – 5:30PM Eastern Time US)

Toll Free: 1.866.935.7979 (US/Canada)

Telephone: 1.610.935.8282

Provide the following information:

- **Installation ID**
- **Serial Number** (this was provided to you when you purchased the software)

After verification, our sales desk will provide you with the **Activation Code**. Enter your **Serial Number**, **Activation Code**, and click the **Activate** button

Activate from the Web
